Project Overview

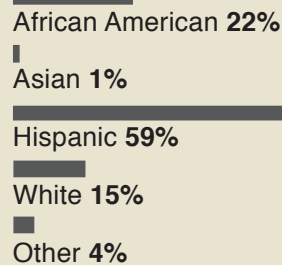

Galveston Independent School District is expanding and revising three elementary magnet school programs and converting a combination elementary/middle school from a traditional program to a magnet school program. The Magnet Schools Assistance Program (MSAP)-funded project has a STEM focus interwoven with Self-Regulated Strategy Development, a research-based writing program. The MSAP schools are committed to increasing racial/ethnic and socioeconomic integration and engaging and empowering students through the development of innovative educational methods that promote diversity and academic excellence.
